

**Pesticide Notification July 2016**

Dear Parent, Guardian, and District Staff:

New York State Education Law Section 409-H requires all public and nonpublic elementary or secondary schools to provide periodic written notification regarding the potential use of pesticides throughout the school year and summer school to all faculty/staff and persons in parental relation.

The Beaver River Central School District maintains a list of all faculty/staff and persons in parental relation who wish to receive 48-hour prior written notification of pesticide applications as required by law. In the event of an emergency, where we might find it necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour Prior Notification List.

If you have not already responded and would like to receive 48-hour prior notification of pesticide applications that may occur at your school building during the remainder of the current year July 2016 - June 2017, please complete the form below and return it to:

Beaver River Central School  
Lloyd Richardson, Building and Grounds  
PO Box 179  
Beaver Falls, NY 13305
