

Mission

Beaver River Central School serves as center for education in dynamic partnership with students, staff, parents, and community to provide each student the opportunity to achieve maximum potential in all areas of life and learning now and in the future.

Vision

Student Centered

District Centered

Student Centered Learning

BRCS... Provides a learning environment for all students that focuses on individual student needs so that they will achieve their personal best.

College and Career

BRCS... provides meaningful and diverse opportunities targeted towards College and Career Readiness by guiding students through real life experiences and connecting each student's strength to become productive members of society.

Community Center

BRCS... as a center of the community, provides resources and opportunities for increased community awareness and involvement.

School of Future

BRCS... prepares for the future by adapting to all areas including finance, facilities, operations, and programs by constantly adjusting to our ever changing world.
