

# Driving Directions

## Directions to Beaver River Central School

### **From Lowville:**

These directions start from the intersection of Route 12 and Routes 26, 812, and N. State Street in Lowville.

1. Turn left at the traffic light onto Route 26/Route 812/N. State Street. Go approximately 0.4 miles.
2. Turn right at Bostwick Street/Route 812 (This will be the last traffic light before heading up the hill.) Go approximately 0.5 miles.
3. Turn left onto Route 812. (You will see the Lowville branch of the Department of Transportation Buildings on the corner of this intersection.) Go approximately 4.0 miles.
4. This route brings you into New Bremen.
5. Turn left onto the Artz Road. Go approximately 3.9 miles.
6. Beaver River school is almost to the end of this road on the right hand side. You can't miss us!

### **From Carthage:**

These directions start from State Street by First Niagara Bank. Choose which route you would like to take when leaving Carthage.

1. Head northwest on State Street toward Church Street. Go approximately 0.2 miles.
2. Take the second left onto NY-126/ E/S. James Street. Continue to follow NY-126. Go approximately 11.5 miles.

OR

1. Head southwest on State Street toward N. Mechanic Street. (This is the road right next to First Niagara Bank.)
2. Turn onto N. Mechanic Street Go approximately 0.8 miles.

3. Take a slight right onto NY 126/ E/S James Street. Continue to follow NY-126 East. Go approximately 10.7 miles.

The directions are the same from this point from either route until you reach Beaver Falls.

1. This road will bring you into Beaver Falls. Once you go across the green bridge in Beaver Falls. You can take the first (Addison Avenue) or second right (Artz Road) to get to Beaver River School.

Either route will take you directly to your destination.

1. If you take the first right (Addison Avenue). Go 0.2 miles. Beaver River will be ahead of you at the end of the road. Take a left and then a quick right into the parking lot.

2. If you take the second right (Artz Road). Go 0.3 miles. Beaver River will be on your left.
